International Rectifier

101 North Sepulveda Boulevard, El Segundo, California, 90245, USA Telephone: +1 310 726 8000 www.irf.com

End Of Life Notification

Date: October 22, 2012
EOL Reference: EOL216
Product Reference: DirectFET Devices

To Our Valued Customer:

As always we appreciate your use of International Rectifier semiconductor products. Our commitment to customer satisfaction and continuous improvement is demonstrated by our change plans to enhance capacity, quality and reliability. This notice is to inform you of the following products which will be discontinued. We would like to express our sincere appreciation for your cooperation regarding the following changes, and IR will work closely with you to support your requirements during this transition.

Reason for Product Discontinuance:

Product portfolio rationalization and lack of demand. Leaded materials to be discontinued and replaced with lead-free "PBF" materials.

Product(s) Affected:	Alternate or Replacement Product(s):
IRF6620	IRF6620TRPBF
IRF6620TR1	IRF6620TR1PBF
IRF6691	IRF6691TRPBF
IRF6691TR1	IRF6691TR1PBF

Effective Dates:

Customer Notice:	October 22, 2012
Last Time Buy*:	January 22, 2013
Last Scheduled Shipment*:	July 22, 2013
Final Returns Date*:	January 22, 2013

**International Rectifier makes no guarantee regarding quantities available for last-time-buys. Actual quantities and pricing will be negotiated on a case-by-case basis. The "last time buy" is the last date IR will accept new orders for these materials. The "last scheduled shipment" is the date IR will attempt to fulfill all final orders, however, IR makes no guarantee that all quantities will be shipped by this date due to unforeseen supply constraints and/or acts of nature, etc. The "final returns date" applies to those materials which IR currently accepts returns per IR policy or your specific customer contract. Returns of any IR materials from this notification are subject to the existing IR return policies and your specific Customer T&C Contract, where applicable. All returns must be made in multiples of the standard Delivery Unit. Any material identified as "NCNR = Non-Cancellable, Non-Returnable" is exempt from this return period. No returns, including stock rotations, will be accepted after the Final Returns Date.*
