PDN 149982: Product Discontinuance Notice – Products single-sourced in IBM SiGe 5hp process

Discontinuance Notice

Description of Change:

Microsemi is announcing the discontinuance of the products listed in Appendix A, due to IBM's EoL notification to Microsemi which stated EoL buys for products built using SiGe 5hp foundry technology.

Reason for Discontinuance:

The decision to discontinue these products was made by IBM.

Customer Impact:

These devices are being removed from Microsemi's product offering. These products will no longer be available for order after April 30, 2015. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Product may be limited in availability. Orders will be supported on a first-come-first-serve basis. Orders for these products will be non-cancelable and non-returnable.

Last Order Date: April 30, 2015

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than April 30, 2015. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: April 30, 2016

Please note that Microsemi will continue to ship last-time-buy orders as requested only through April 30, 2016. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:

See Appendix A.
