

<b>Process Change Notice</b>
------------------------------

**ACM4520 series: Change of lifecycle status.**

**Dear Distributor Partner,**

Thank you for your business and continued interest in TDK's magnetics products.

This letter is to inform you of the production status change for the following attached list of products.

As part of a revised strategy in order to retain the balance of the product mix, the products included in this document have been selected to update its lifecycle status as follows:

**Subject:**

Lifecycle status change for the attached magnetics products list.

<b>Series Affected</b>	<b>Life cycle Status Update</b>	<b>Comments</b>
ACM4520	From Active (Production) to NRND (Not Recommended for New Designs).	Please refer to attached list for detailed parts list

We will continue supporting normal production these parts for existing and new programs in the foreseeable future.

Thank you for your understating.

Sincerely yours  
Teppei Watanabe
