Subject: Data Sheet Specification Change for Intersil Product ISL3180E*

Publication Date: 7/9/2015

Effective Date: 7/9/2015

Revision Description:

Initial Release

Description of Change:

Intersil has updated the ESD rating for Human Body Model as shown in Appendix B for listed ISL3180E* products.

Reason for Change:

The change to the ESD Rating aligns the data sheet with the product characteristics. Details regarding the change are contained on the following page. The updated data sheet is available on the Intersil web site at:

<http://www.intersil.com/content/dam/intersil/documents/isl3/isl3179e-80e.pdf>

Product Identification:

There have been no changes to the die/silicon or product itself. There will be no change in the external marking of the packaged parts.

Qualification status: Not Applicable

Sample availability: 7/9/2015

Device material declaration: Available upon request

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Intersil within 30 days of the publication date.
