--	--

**Purpose of Notification:**

We are adding Unisem in addition to PSC for test location.

**Technical Summary/Details:**

PE42521 (ordering code PE42521MLBA-Z) was production released with parts final tested at Peregrine Semiconductor's corporate headquarters in San Diego, CA (PSC). Same qualified tester has been added to Unisem in order to have dual testing capability, PSC and Unisem.

There is no change in the final test program or the production test hardware. There is also no change in the part ordering codes.

**Customer Acknowledgement:**

*Customer should acknowledge receipt of this notification via email to the Peregrine Account Representative within 30 days of receipt. This is a notification of a minor change only, customer approval is not required.*
