Subject: Addendum to PIN210804 - Removal of Cypress Logo on Shipping Boxes

Change Type: Minor

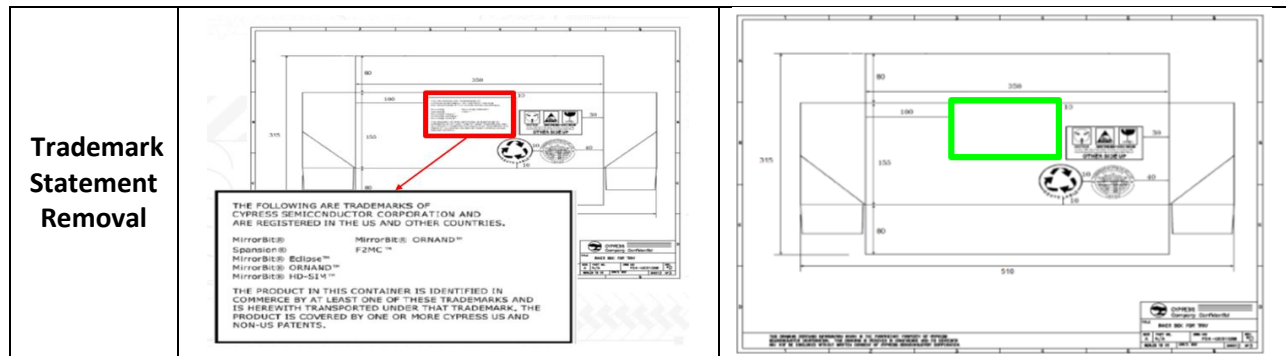

Description of Change:

The purpose of this addendum is to update the implementation date of the removal of Cypress logo from shipping boxes. Due to current inventory at the warehouse, the implementation date has been changed from April 2021 to December 2021. It is possible to receive boxes with or without the Cypress logo during the transition period prior to the implementation date.

Previous communication:

Cypress announces the removal of the Cypress logo and any trademark statements on the shipping boxes. This is to align Cypress shipping boxes with the current Infineon packaging standards. In addition, the removal of the Cypress logo provides additional security during shipment. There are no changes to ordering part numbers. Product datasheets remain the same and can be downloaded from the Cypress website (www.cypress.com).

	CURRENT (sample box drawing only)	PROPOSAL (sample box drawing only)
Cypress Logo Removal	<p>The current sample box drawing for CYPL200 shows a red rectangular box highlighting the Cypress logo on the side panel of the shipping box. The drawing includes dimensions and various shipping labels such as 'CAUTION SENSITIVE ELECTRONIC DEVICES', 'CYPL200', and 'CYPRSS'.</p>	<p>The proposed sample box drawing for CYPL200 shows a green rectangular box highlighting the area where the Cypress logo was previously located. This indicates the removal of the logo. The drawing includes the same dimensions and shipping labels as the current version, but without the logo.</p>

Benefit of Change:

This qualification is part of Cypress’s packaging alignment with Infineon.

Part Numbers Affected:

All part numbers are affected.

Approximate Implementation Date:

This change will be implemented in December 2021. It is possible to receive boxes with or without the Cypress logo during the transition period prior to the implementation date.

Method of Identification:

Cypress maintains traceability of product to wafer level, including wafer fabrication location, through the lot number marked on the package.

Response Required:

This is an information only announcement. No response is required.

For additional information regarding this change, contact your local sales representative or contact the PCN Administrator at pcn_adm@cyress.com.

Sincerely,

Cypress PCN Administration

On 16 April 2020, Infineon Technologies acquired Cypress.

We are now in the process of merging and consolidating our tools and processes for PCN, Information Notes, Errata and Product Discontinuance.
