Data Sheet Update PMDPB58UPE

Information Notification

The data sheet for PMDPB58UPE will be updated for a correction of graph Fig.9 (Drain-Source on-state resistance as a function of gate-source voltage) in current published datasheet. The correction is only editorial, there is no change of the product and no impact on the product performance. In addition, the new data sheet will be updated to a new standardized layout.

The details of the update can be found in the attached document.

Why do we issue this Information Notification

Data sheet correction of graph Fig.9 and update to new standardized layout.

Identification of Affected Products

Product identification does not change

Impact

No impact to the products' functionality anticipated.

Data Sheet Revision

A new datasheet will be issued

Additional information

Affected products and sales history information: see attached file

Additional documents: view online
