EOL Issue Date: Apr 12, 2022

Effective Date: Apr 04, 2023

Last Order Date: Sep 27, 2022

PCN Type: Datasheet; Discontinuance

Description of Change

Silicon Labs announces an End of Life (EOL) and Last Time Buy (LTB) for C8051F30x 14SOIC and C8051F8x/F9x 24-QSOP Package Types.

Existing customers may place LTB orders per the key dates above and guidelines listed in this EOL form.

All customer orders with a Customer Requested Delivery Date (CRD) between the Last Time Buy (Order) Date and the EOL Effective Date will be Non-Cancellable and Non-Returnable (NCNR). As of this EOL Date, Silicon Labs will no longer accept customer orders with a CRD beyond the EOL Effective Date.

If you have questions about this EOL, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com.

Reason for Change

This addendum to PCN 2203291231 is being issued to inform the customers about the Last Time Buy Date change from June 27 to September 27, 2022. The EOL Effective Date remains unchanged (April 4, 2023).

Original Change Reason:

EOL is due to package discontinuance by single source supplier. Datasheet versions v3.0 for C8051F30x, v1.1 for C8051F80x-83x and v1.4 for C8051F91x-90x are released with updated ordering information tables.

Note: Silicon Labs will accept customer orders that are received prior to the Last Order Date shown above, but does not guarantee that it will be able to fill all or part of any orders due to limited availability, manufacturing issues or other reasons beyond Silicon Labs' reasonable control. Estimated delivery dates beyond normal lead time should not be considered as a firm acceptance or a guarantee of supply at any time.
