

End of Life Notification - PCN-20220110-01

Effective: March 1st, 2022

Description of Change:

LITEON announced the termination of production and the end of life (EOL) of the following products:
LTST-E683CEGBK.

Reason of Change:

Lite-On's IC supplier plans to EOL the current IC. The replacement part number uses a different but similar IC. However, there are no changes on the external dimensions, only internal design changes.

Alternatives List:

EOL Part Number	Alternative Part Number
LTST-E683CEGBK	LTST-E683CEGBW

Reliability Data:

LITEON's existing internal qualification process has implemented for the alternative material to ensure the devices meet or exceed LITEON's quality and reliability requirements.

Reliability data is available upon request.

Effective Date of Change:

Alternative part number has been available from now on.

Current part number will accept last-buy order till Feb. 28th, 2022.

Response Date:

This PCN is considered approved, without further notification, unless we receive specific customer concerns within 1 month after the PCN issuance date.
